

Reed Parish Council

Chair's Report March 2022

Four items to report in the period since January:

1. The installation of informative signs near the church and by Rokey Wood has been completed.
2. A letter to parishioners about the Parish Precept increase, decided in January, has been composed and delivered to households.
3. Councillor Kershaw and myself met with Philip Blenkinsop (Vice-Chair of Reed School Governors) to examine the climbing frame which could be relocated from the school to the playground on the green. Item 20.3 on tonight's agenda refers.
4. There has been liaison with village organisations about events for the forthcoming Queen's Jubilee, including consideration of a Meridian Line, Jubilee Beacon on the Joint.

That completes the report for this period.
